***Approval Under Process**

Bhagwan Mahavir Education Foundation, founded in 2002, announces one more feather in our cap as we are recently been granted the status of the University, Bhagwan Mahavir University caters to the curious and innovative learners of our country.

BMEF is devoted to enriching our learner's academic journey with us by providing them with impeccable excellence in both teaching and research.

The campus is spread across 20 acres, with over 15000 students from varying backgrounds studying on this campus, with an array of 26 colleges including Diploma, Undergraduate, Post Graduate and Ph.D. programs.

BMEF also boasts 18,000 and more alumni registered across the globe.

VISION

To emerge as a "Centre For Excellence" offering technical education and research opportunities of quality standards to students and to serve the society by educating young and budding students with latest technological advancements for dynamic and global careers.

MISSION

To govern educational institutions and research centres, to enable students with quality education and allied facilities. Also, creating a pool of multi domain skilled persons under one platform and run the institutions for providing better and value based teaching and learning in every domain of education sector.

QUALITY OBJECTIVES

- To provide programmes according to the exact needs of industries, business and community.
- To meet the human resource needs of industries and business
- To offer Skill Development, Consultancy, Counselling, Training, Career Development and Placement Services
- To be a vibrant, dynamic, demand driven and model centre of excellence in imparting quality in higher education.

► BMU

Bhagwan Mahavir University, Surat is a well-reputed State Private University of Gujarat, established in 2019 through the Acts of Gujarat Legislature and ordinances, Gujarat Private Universities Act, 2009 (Gujarat Act No. 8 of 2009) Government of Gujarat and recognized by the UGC under the section 2(f) of the UGC Act, 1956 having a campus that stretches over 20 acres with world-class facilities and around 15,000 students.

► IDEOLOGY

The University is one of India's largest multi disciplinary universities, committed to delivering world-class education and research. Researchers, faculty, and students at our university can explore and expand the frontiers of knowledge both for their own growth and for the benefit of society. By encouraging research and innovation and celebrating success, we nurture an environment that will create tomorrow's leaders.

► WORLD-CLASS CAMPUS

Classrooms are digitized, and our facilities include a water-saving football field, a swimming pool, a multipurpose sports hall, and more. Students have access to a variety of inspiring study and brainstorming areas, as well as multiple food stations, games rooms, and cafeterias. Students at BHAGWAN MAHAVIR UNIVERSITY can successfully achieve their goals with our top-of-the-line facilities. The Bhagwan Mahavir University, a premier high-tech education campus, is a purely philanthropic initiative initiated by a number of eminent industrialists and technocrats, and affluent businessmen working towards "Social Upliftment through Education".

► DIVERSE RANGE OF COURSES

The courses we offer prepare students for the jobs of tomorrow, Industry linked and sector-focused skill courses, Diploma, Undergraduate, Postgraduate as Research programs (Professional and Non-professional) in Engineering, Commerce & Management, Computer Applications, Pharmaceutical Sciences, Sciences, Nursing, Education, Architecture, Design & Planning, etc. Globally recognized and accepted degrees are offered by us.

► THE UNIVERSITY IS PASSIONATE ABOUT RESEARCH & INNOVATION

The University has an Incubation Centre where students can develop and grow their ideas into scalable, fundable business models. Research is an integral part of BMU's culture, and all faculty members are encouraged to participate in research projects and submit papers for academic conferences.

► LABORATORIES AT INTERFILE ARE SET UP TO PROVIDE HANDS-ON EXPERIENCE

Our advanced labs prepare our students for specialized studies and give them a real-life look into their future careers. In the labs such as Aerospace, Chemical, Construction, and computer, etc. students have access to the latest technology and machinery unlike any other tertiary institution in Surat.

► THE FACULTY: MASTERS IN THEIR FIELD

Each faculty member is expert for the quality and content of instruction in the classroom. The instructor should at all times strive to promote the general purposes of the University and to achieve the objectives of the College. Faculty members are expected to remain active in their fields of study or artistic/creative practices through research, creative output, and other professional activities as described by their department and/or College. Provide timely and appropriate feedback to students.

► AVAILABLE GLOBAL ALUMNI NETWORK BMU

Alumni come back to speak with students from a wide range of industries, providing current students with an opportunity to tap into a vast network of alumni. The events and meetings offered by the alumni association give students the opportunity to know alumni beyond their resumes and learn about their accomplishments and struggles first-hand.

► ASSISTANCE IN PLACING STUDENTS AT RENOWNED ORGANIZATIONS

Our continual interaction with the corporate world is one reason we're consistently ranked at the top. Leading professionals visit our campus more frequently than any other institution and we have a large network of industry leaders who engage with students regularly. Students receive special assistance and training for interviews, and we focus on both soft and hard skills to ensure they are well prepared and thoroughly prepared for potential job opportunities.

PRESIDENT'S MESSAGE

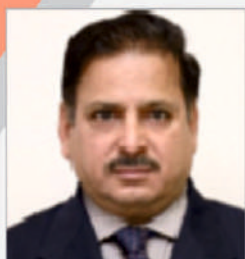

► **DR. SANJAY JAIN**
President, BMU

It is with immense pleasure and privilege; I welcome you to Bhagwan Mahavir University. The University is a core part of BMEF, one of the leading educational groups in Gujarat. Bhagwan Mahavir University with its evergreen campus spread over 20 acres, conducts a variety of programs at UG and PG levels, besides Ph.D. programs in the areas of Management, Engineering, Biotechnology, Computer Science-IT, Commerce, Journalism, Mass Communication, Fashion Design & Technology, Nursing, Architecture, Para-medical Sciences, Hospital Administration, etc.

In addition to core and elective courses, the focus is on the holistic development of the students. Bhagwan Mahavir University has instituted global standards in education, training, and research with world-class infrastructure and the latest teaching methodologies. With the mission to train the future leaders of the corporate world, the University strives to blend modernity with tradition in each one of its students.

Every student of Bhagwan Mahavir University gets additional inputs in terms of foreign Languages, communication Skills, behavioral sciences, games and sports, military training, etc. to help attain the objective.

I invite you to be a part of this unique university and embark on a journey driven by exceptional pedagogy, inspiring faculty, global industry trends, and deep-rooted human values.

CHAIRMAN'S MESSAGE

▶ **SHRI JAGDISH JAIN**
Chairman, BMEF

Bhagwan Mahavir University (BMU) is a reputed multidisciplinary University in Surat with an experience of 20 years. Within the short time since its establishment as University, the BMU has created a significant difference in the areas of higher education in the South Gujarat Region. The BMU aims to become the single source of quality education within the country as well globe. The Success of BMU lies in the experience of Faculties, diversified curriculum, and continuously addressing industries' demands.

The BMU believes in and encourages the students as well faculties to embed historical mission and cultural heritage.

As University, we pay attention to our student's socio-cultural achievements as well as their academic success. We enable them to actively participate in socio-cultural activities and provide the required cultural, arts, and sports facilities for them.

We expand our cooperation areas through common projects in collaboration with prestigious International Universities and develop our capacity along with international standards.

We establish industrial collaborations and foster our students to gain real-life experiences in order to realize our prior target of service for implementation.

The university offers an educational scholarship program including merit-based scholarships, need-based scholarships, and sports scholarships.

Our university is taking steps to make a contribution to the future of its country by achieving its goals and aspirations.

VICE CHAIRMAN'S MESSAGE

▶ **Prof. (Dr.) SATBIR JAIN**
Vice Chairman, BMEF

Welcome to Bhagwan Mahavir University

I have proudly watched it grow from a small “college in the pines” to a respected comprehensive University. With The addition of the Surat Campus in Gujarat, our reach has expanded. However, our guiding principle of 'Students First' remains at the heart of all decisions we make. BMU's main aim is to develop “effective citizens” with a commitment to lifelong learning and the capacity to adapt in a multicultural interdependent world.” Those skills are needed more than ever today as we grapple with social and economic issues that will surely affect those entering and graduating from colleges the university.

The dedicated faculty, staff, administration, and leadership at BMU understand that students need critical thinking skills as well as practical knowledge to adapt and succeed in today's economy. Our multi-disciplinary programs are designed to address issues of the future, including sustainability and public health, while also providing opportunities to explore careers in the arts and business. I am proud to continue that effort to ensure that all students can have access to an affordable college degree, and get the support they need to achieve it.

FOUNDER & MANAGING TRUSTEE'S MESSAGE

▶ **SHRI ANIL JAIN**

Founder & Managing Trustee, BMEF

It is my privilege to introduce you to Bhagwan Mahavir Education Foundation (BMEF) -The fastest growing Educational Campus in Gujarat. By building people, we build society. By building leaders, we build the nation's technology and economy. Education is, in effect, a nation's service.

The Vision of the BMEF rests on worldly realities, bears a peaceful and establish harmonize environment and culture. This helps to share and propagate the experience, wisdom, and knowledge within and across the societies as well as the country.

The BMEF establish the education systems which encourage and promote the holistic development of students. I firmly believe that by getting involved with the BMEF campus which is having state-of-of infrastructure, sports complex, and educational facilities you will get an opportunity to develop yourself as a true Indian citizen who can serve the community with great dedication and commitment.

I am pleased to acknowledge your interest in the BMEF Group of Educational Institutions consisting of Bhagwan Mahavir University. This foundation fosters the growth of innovative professionals, scientists, and engineers who firmly hold the trust and confidence of the community at large.

I am sure that this Campus will have a pivotal role in the development of shining India with World-class universities with more philanthropic setups at International and National levels for the betterment of the society and render a helping hand in the progress of the Nation.

PROVOST'S MESSAGE

▶ **DR. NIRMAL SHARMA**

Provost

It gives me great pleasure in extending my hearty welcome to all those who are seeking admission to various Programs of Bhagwan Mahavir University (BMU).

Bhagwan Mahavir University, a progressive and research-focused university is committed to teaching excellence with a focus on research and tailored course that makes education relevant to changing career dynamics. With distinguished faculty from all across the country, we have been able to make some formidable industry partnerships to make higher education even more meaningful.

We deeply value ethos that respects openness, inclusiveness, collegiality, and diversity. Our students and staff come from diverse backgrounds and cultures worldwide. Consequently, creating the right ambiance and ecosystem on campus for a vibrant knowledge culture and the intellectual system is also one of our very important priorities. We continuously strive to create the necessary enablers for the engagement and enrichment of students, staff, and community in knowledge enhancement, being industry ready and self-aware – thus making them holistic human beings....

Bhagwan Mahavir University provides ample career development opportunities through its partnership agreements with a large number of industrial, business, and social organizations including Universities and Institutions abroad. The Career Development Cell guides the students to train themselves for great careers depending on their talent, aptitude, and life objectives. The mentor program at the University takes care of the personal, emotional, and career needs of its students.

Bhagwan Mahavir University provides a disciplined, peaceful, and harmonious atmosphere that enables the students to experience the learning, knowledge, and wisdom they acquire. At the foundation of Bhagwan Mahavir University, talented professionals, faculty staff, and students who with their creativity, ingenuity, and drive will join in advancing human knowledge and pursuing scientific discovery for the benefit of all. Although we have been successful in this journey to some extent however I believe this is just the beginning, the best is yet to come.

BHAGWAN MAHAVIR COLLEGE OF COMMERCE & MANAGEMENT STUDIES

We believe our appeal as a college rests in our strong sense of community. With the support of highly qualified faculty members and excellent infrastructure, we shall be able to continue to add to the professional development of the individuals and the country. In such a secure setting, students are free to challenge themselves and take risks that will lead them to realize their full potential. More importantly, you will find a college with warm culture and environment. We assure that BMCCMS students and their parents will find themselves as a part of an extraordinarily friendly community, a college that is welcoming, warm, and unpretentious and one where the students and the staff get on exceptionally well together. We have well qualified and experienced faculties that promote knowledge in sense of benefiting the community at large. We focus on our mission to provide business professionals with a strong and knowledgeable foundation in the management world.

ENGINEERING & TECHNOLOGY

Bhagwan Mahavir Education Foundation had started Engineering Education in 2005 offering a Diploma In Engineering (three years) and in 2008 offering a Bachelor of Engineering (four Years) program in the field of Computer Engineering, Information Technology, Mechanical Engineering, Civil Engineering, Automobile Engineering, EC, ECE, and Electrical Engineering.

Today, it has become the first choice among the student community of south Gujarat; this claim is reinforced by the fact that it has been consistently ranked among the best Technical Colleges in Gujarat and is now looking forward to achieving even higher benchmarks in engineering education.

It is because of the highly qualified and dedicated staff, cumulative effect of an elaborate in-campus academic infrastructure; well-equipped laboratories, audio-visual aids, internet, and well-stocked library, career advancement, entrepreneurship, the center of excellence, skill development, student startup & innovation, extracurricular activities, strong national and international collaborations; and a robust on-campus recruitment record.

The colleges regularly conduct technical activities like seminars, industrial visits, and training programs through the technical associations of the various departments. Every department is active in conducting Intercollegiate Seminars, Workshops, Conferences as well as guest lecturers.

The University offers an outstanding learning environment with innovative courses of today's era like Aeronautical Engineering, Nano Technology, Robotics & Automation Engineering, Chemical Engineering along with traditional courses such as Computer, IT, Civil, Mechanical, Automobile, Electrical, EC, ECE, etc.

Faculties are dedicated to providing skills that are essential for the overall development of the students. The learning experience will be influenced by the most recent developments in the field and delivered by experienced teachers and experts in the respective field.

We have also created a secured, congenial and serene environment of Co-education for both the girls and boys' students to make it their coveted educational destination.

Our Industry-focused education will ensure to place our students inside the country and globally. We strive to build a new cadre of technical professionals, who will accelerate growth in the new digital era.

The following colleges are running under the umbrella of Bhagwan Mahavir University in the field of technical education;

- ▶ Bhagwan Mahavir Polytechnic
- ▶ Mahavir Swami Polytechnic
- ▶ Bhagwan Mahavir College of Engineering and Technology
- ▶ Mahavir Swami College of Engineering & Technology
- ▶ Bhagwan Arihant Institute of Technology

Bachelor of Planning (B. Plan)	4 Years	40	Passed 10+2 with Physics & Math as compulsory subjects with one of the Chemistry/ Engineering Drawing/ Computer Science
Masters of Planning (M. Plan)	2 Years	20	Passed B.Arch./ B.E.-Civil/ B.Plan./ M.A./M.Sc. Geography/ M.A. Sociology/Social Science/ M.A. Economics or equivalent

*Minimum Entry level Qualification, % of marks, % marks in case of reserve category, and other eligibility criteria are as per the UGC/ AICTE/COA/ACPC.

BHAGWAN MAHAVIR COLLEGE OF PHARMACY

With the mission, to strive for improvisation of the health care system throughout the world and to give access to pharmaceutical care, Bhagwan Mahavir College of Pharmacy inculcates a strong foundation of knowledge essential to the pharmacy profession.

The institute is a state of the art campus with a Lush green campus and, highly efficient well qualified faculties, adding a fragrance to the courses offered.

BMCP was Established in 2007, to bring light, foresight, and a bright future in the field of PHARMACY.

We at BMCP believe in the committed development of individuals who are dedicated to serving their organizations, society, and even humanity as a whole, we try to culture capability of competence to prove themselves the best in a complex, dynamic and uncertain environment.

The college offers D. Pharm, B. Pharm & M. Pharm (Pharmaceutics, Quality Assurance, Pharmaceutical Management, and Regulatory Affairs) and also offers Ph.D. programs.

The college has been successful in maintaining a high level of academic standards and value-based education to meet societal needs. With the growing demands for all sorts of medicines and the necessity of pharmacy in this time and age, we prepare our students to become the proficient pharmacists, who'll contemplate and work for the safety of our society.

Courses	Duration	Intake	Minimum Entry Qualification*
D. Pharm.	2 Years	60	(10+2) from recognized Board with Physics and Chemistry as compulsory subjects with one of the Mathematics/ Biology (Botany and Zoology)
B. Pharm.	4 Years	60	(10+2) from recognized Board with Physics and Chemistry as compulsory subjects with one of the Mathematics/ Biology (Botany and Zoology) (Lateral Entry) Passed Diploma Pharma with at least 45% marks (40% in case of reserved category)
M. Pharm. Pharmaceutics	2 Years	15	Passed Bachelor in Pharmacy with at least 55% marks (50% in case of candidates belonging to reserved category)
M. Pharm. Pharmaceutical Quality Assurance	2 Years	12	
M. Pharm. Regulatory Affairs	2 Years	15	

*Minimum Entry level Qualification, % of marks, % marks in case of reserve category, and other eligibility criteria are as per the UGC/AICTE/PCI/ACPC. Admission reservation policy for the candidates of reserve categories is as per the Norms.

BHAGWAN MAHAVIR COLLEGE OF BASIC & APPLIED SCIENCES

Bhagwan Mahavir College of Basic and Applied Sciences is a college with a warm and friendly atmosphere where students will be supported to develop to their full potential, not only academically but also personally and socially. BMCBAS offers various Undergraduate as well as Post Graduate courses in more than 10 different branches of Science Viz. Chemistry, Biotechnology, Microbiology, Botany, Mathematics, Zoology, Environment Science, PGDMLT, etc. We value each individual student, nurturing their skills and talents, whilst continuously preparing them to face new experiences and challenges. We develop students' ability to think clearly and express their ideas with clarity and logic. Expertise faculties with specialization, well-equipped laboratories, ventilated classrooms, and enriched library makes BMCBAS reach excellence in the field of education. We shape upcoming youth as the future of India not only academically but also by providing hands-on training and also promote students to research-based studies through Ph.D. as well as we develop young scientists or entrepreneurs as an asset to the industries through their innovative ideas and research.

Courses	Duration	Intake	Minimum Entry Qualification
Master of Science (M. Sc.)			
Organic Chemistry	2 Years	480	Bachelor's degree in chemical science subject
Microbiology (Specialization: General / Medical / Pharmaceutical / Industrial /Agricultural / Environmental /Dairy & Food Microbiology)	2 Years	120	Bachelor's degree in Microbiology, Biotechnology, Biochemistry, Medical technology
Biotechnology	2 Years	30	Bachelor in any biological science/ relevant discipline
Botany	2 Years	30	Bachelor's degree in biological science (Microbiology, Biotechnology, Zoology, Botany, Medical Technology, Environmental Science, Bio-Informatics)
Zoology	2 Years	30	
Environmental Science	2 Years	30	
Bio-Informatics	2 Years	30	
Physics	2 Years	30	Bachelor's degree in Physics
Mathematics	2 Years	30	Bachelor's degree in relevant subject
Textile dyeing & Printing	2 Years	30	Bachelor's degree in relevant field (B.Sc. Chemistry, B.Sc. Textile, B.E. / B.Tech. Chemical engineering)
Medical Laboratory Tech.	2 Years	30	Bachelor's degree in Microbiology, Biotechnology, Biochemistry, Medical technology

Bachelor of Science (B. Sc.)			
MLT (Medical Laboratory Technology)	3 Years	120	10+2 from a recognized Board with B and AB group / DMLT from a recognized university after 10+2.
Microbiology	3 Years	60	10+2 from recognized Boards with B and AB groups.
Biotechnology	3 Years	60	
Zoology	3 Years	60	
Botany	3 Years	60	
Environmental Science	3 Years	60	

Courses	Duration	Intake	Minimum Entry Qualification*
Bachelor of Science (B. Sc.)			
Mathematics	3 Years	60	10+2 from recognized Board with A and AB group.
Physics	3 Years	60	
Chemistry	3 Years	60	
Bio-informatics	3 Years	60	10+2 from recognized Board with A, B and AB group.
Integrated B. Sc. MLT (Medical Laboratory Technology)	4 Years	240	10+2 from the recognized Board.
Post Graduate Diploma			
Post Graduate Diploma in Medical Laboratory Tech.	1 Year	60	Bachelor's degree in science with Microbiology, Botany, Zoology, Medical Technology, Biosciences, Biochemistry, Life sciences, Biotechnology, and Chemistry (should have Biology at F. Y. B.Sc. level / H. Sc. with B or AB group) as the principal subjects, B. Pharm., B. Physio., M.B.B.S, BDS, BAMS, BHMS, B.Sc. Nursing, B.Sc. Optometry.

BHAGWAN MAHAVIR SCHOOL OF NURSING (GNM)

The nursing profession is a noble profession and requires dealing with different types of patients regularly. The most essential skill or quality a nurse should be to have patience. Besides this dedication to working with doctors, patients, and other hospital administration, compassion, and excellent communication skills.

Bhagwan Mahavir School of Nursing (GNM) and Bhagwan Mahavir College of Nursing (B.Sc. Nursing) are well equipped with modern teaching aids and labs such as Nursing Foundation Lab, Maternal and Child Health Lab, Community Health Nursing Lab, Nutrition Lab, nursing arts, community health and nutrition laboratories, Computer Lab, A.V. Aids Room, Advanced Skill Lab, Classroom and library. The atmosphere in the college is very congenial for professional growth. Nursing in the 21st century is a demanding and rewarding profession as well as a noble profession. We aim to develop nurses who will provide holistic care, develop professional leadership, and contribute to society. The college uses a wide variety of teaching methods which include lectures, seminars, tutorials, skill workshops, Laboratory classes, and computer-based learning programs. The institution believes that the teachers have a responsibility to be the role model and create a learning environment that enables students to acquire self-directed learning and foster an attitude toward lifelong learning.

Hands-on training is given to the students at the 1150 - bedded New Civil Hospital, Surat as well as in allied urban and rural health centers. Nursing students attend OPD sessions in the hospital. Students visit different places under community connect and provide primary health services. Student actively participates in health awareness programs.

Hostel facilities are also available to the students within the campus.

Courses	Duration	Intake	Minimum Entry Qualification
Diploma in General Nursing and Midwifery GNM	3 Years	40	(10+2) from recognized Board

BHAGWAN MAHAVIR COLLEGE OF NURSING (B.SC. - NURSING)

B.Sc. Nursing is a four-year course that is recognized by the Indian Nursing Council. This course focuses on reinstating health and providing care to the sick. It is a great career option for those intending to go for higher studies better their prospects. After finishing B. Sc in Nursing they can opt for M. Sc in nursing which will improve their prospects in the job market. They can specialize in psychiatry, Medical-Surgical, Community Health and Paediatrics, Obstetrics, and Gynaecology.

Courses	Duration	Intake	Minimum Entry Qualification
Bachelor of Science in Nursing B.Sc. Nursing	4 Years	60	The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought. 10+2 class passed with Science (PCB) & English Core/ English Elective with aggregate of 45% marks from recognized board under AISSCE/CBSE/ ICSE/SSCE/HSCE or other equivalent Board. The student shall be medically fit. Students appearing in 10+2 examination in science conducted by National Institute of Open School with 45% marks.
Post Basic Nursing	2 Years	40	Post Basic B.Sc Nursing Eligibility Criteria Candidates who want to apply for the Post Basic B.Sc Nursing program have to fulfill the following criteria: He/she should have passed the General Nursing and Midwifery (GNM) Course & should have SNRC Registration.

BHAGWAN MAHAVIR COLLEGE OF PARA MEDICAL SCIENCES & HEALTHCARE*

Modern world paramedical science has emerged as an important branch of medical science. A Paramedic is a professional who helped with the doctor's specialized area and facilities for better diagnosis treatments and therapy. Be a paramedic to discover great realms of human health and done good money. It's a hidden treasure that is not known to many.

Courses	Duration	Intake	Minimum Entry Qualification
Diploma Courses			
Radiotherapy	3 Years	60	10+2 in PCB from recognized Board
Radiography & Imaging Technology	3 Years	60	
OT & Anesthesia Technology	3 Years	60	
Optometry	3 Years	60	
Panchkarma	2 Years	60	
B. Sc. Courses			
Radiography & Imaging Technology	3 Years	60	10+2 in PCB from recognized Board
Radiotherapy	3 Years	60	
Optometry	3 Years	60	
OT & Anesthesia Technology	3 Years	60	
X-Ray Technology	3 Years	60	
Occupational Therapy	3 Years	60	
Dialysis Technology	3 Years	60	
Medical Record Tech.	3 Years	60	
Audiology and Speech Therapy	3 Years	60	
Anesthesia Technology	3 Years	60	
Clinical Research	3 Years	60	
Master of Physiotherapy (MPT)	2Years	18	Graduate degree in relevant subject or equivalent with at least 50% mark
Master of Clinical Research	2Years	18	
Master of Naturopathy and Yoga Sciences	2Years	18	
Certificate in MLT	1 Year	60	Passed 10th Std.
Certificate in Medical Radiology Tech.	1 Year	60	
Certificate in Operation Theatre Tech.	1 Year	60	
Certificate in Assistant Nursing	1 Year	60	
Diploma in Nursing Care Assistant	1 Year	60	
Diploma in Medical Radiology Technology	1 Year	60	Passed 12th Std.
Diploma in Dialysis Technician	1 Year	60	
Diploma in Operation Theatre Technology	1 Year	60	
Diploma Assistant Nursing	1 Year	60	
Diabetic Educator	6 Months	60	An “upskilling certification” course for the professional's Graduate degree in relevant subject with three years of experience in community work, Age limit – 18 to 30 years
General Duty Assistant	6 Months	60	
Diploma in Health Promotion Education	6 Months	60	
Certificate in Acupressure and Hailing Sciences	3 Months	100	Passed 10th Std.

* Approval Under Process.

SHIKSHAN BHARTI COLLEGE OF EDUCATION

Teaching is a profession that is universally revered. It gives people a chance to build a healthy academic system in the country which ultimately contributes to the growth and the success of that country. As a teacher, you are entrusted with shaping the minds of young students and helping them develop and turn into well-rounded individuals. To teach in a school in India, the central government has now made it mandatory for candidates to have a Bachelor of Education degree after having graduated from college.

The following colleges are running under the umbrella of Bhagwan Mahavir University in the field of School Education;

Courses	Duration	Intake	Minimum Entry Qualification
Bachelor of Education B.Ed.	2 Years	200	Graduation from a recognized University

BHAGWAN MAHAVIR COLLEGE OF EDUCATION

The Master of Education (M.Ed.) program is a two-year professional program in the field of Teacher Education which aims at preparing teacher educators and other education professionals including curriculum developers, educational policy analysts, planners, administrators, supervisors, school principals, and researchers.

There are many good reasons to earn a Master's in Education degree. Aside from the noticeable increase in pay, M. Ed. graduates also enjoy being able to maintain their teaching certification, improve their classroom teaching, make career changes, and indulge in lifelong learning. In order to keep up with the latest developments, many teachers choose to obtain their Master's in Education degrees in order to hone their abilities and become expert educators.

Courses	Duration	Intake	Minimum Entry Qualification
Master of Education M. Ed.	2 Years	50	Bachelors of Education (B.Ed.) from a recognized institution

BHAGWAN MAHAVIR COLLEGE OF LIBERAL ARTS & HUMANITIES

Our Liberal Arts program provides a broad foundation across disciplines that we believe is essential for the holistic development of a student in today's dynamic world. Our program is structured to help students develop a well-rounded personality, strong academic skills, and the ability to apply knowledge for both personal development and career enhancement. Liberal Arts have a unique range of courses that provides flexibility and variety that suit the interests and needs of each Learner.

Courses	Duration		Courses	Duration	Intake
B.A. Economics	3 Years	60	M. A. Economics	2 Years	30

Physical education is a domain concerned with sports-related activities and deals with subjects such as sports science, sports psychology, sports research methodology, sports medicine, exercise physiology, etc. The postgraduate program in physical education acquaints students with the dynamics of sports activities and offers them professional training as well as knowledge about fitness in sports. The course also enables students to enhance their skills in their respective fields.

Courses	Duration	Intake	Minimum Entry Qualification
Master of Physical Education	2 Years	30	B.P. Ed./BPE and any other relevant degree

BHAGWAN MAHAVIR CENTER FOR SKILL DEVELOPMENT

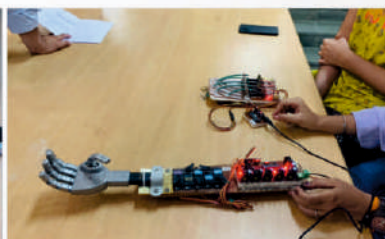

SKILL INDIA MISSION Launched by Hon'ble Prime Minister Shri Narendra Modi, aims to train over 40 crore people in India in different skills. The mission aims at vocational training and certification of Indian youth for a better livelihood and respect in society.

Bhagwan Mahavir University is one of the few organizations selected to be part of the initiative skill development activity. As a part of the skill development activity, Bhagwan Mahavir University has started the Bhagwan Mahavir Center for Skill Development for the betterment of unemployed youth of south Gujarat. Our foundation trustee's vision is to impart technical skills to youth. Develop the skills-based training in various sectors and increase employability skills in youth to contribute to Nation Building.

Therefore, in order to develop the skills of our youth in various fields, directly or indirectly related to industries, the Institute has started more than twenty Skill Development Courses with the objectives to provide skill development vocational training to school leavers, existing employees, experts, health workers, etc. to improve their employability by optimally utilizing the infrastructure available in Bhagwan Mahavir University

Certificate Courses:		
Courses	Duration	Minimum Entry Qualification
Welding and Quality Technician	6 Months	ITI in Relevant Trade
Attendant Sub-Station (66/11, 33/11 kV)		
Power Distribution		
Certificate In Java		
Mobile Phone Hardware Repair Technician		
Architectural Drafting and Basic 3D Design		
Junior Engineer- Power Distribution	6 Months	Diploma in Electrical Trade
Solar PV Installer	6 Months	10th pass + ITI / Diploma (Electrical, Electronics, Civil, Mechanical, Fitter, Instrumentation, Welder)
Blockchain	6 Months	Diploma in Computer/ IT
Computer-Aided Software Design	6 Months	Diploma in Mechanical/Automobile
Welding Assistant	6 Months	Class 8
Computer-Aided Software Design Civil Engineering	6 Months	Diploma in Civil Engineer
Automotive Repair Welder	6 Months	10th pass
Machining and Quality Technician		
Attendant Operator (Chemical Plant)		
Data Entry Operator		
Biometric Data Entry Operator		
Nursing Assistant		
Pre- Primary Teachers Training Montessori		
Solar Panel Installation Technician		
CNC Operator		
Welding Technician		
Surveyor	6 Months	ITI/Diploma in civil / land surveying

DIPLOMA		
Courses	Duration	Minimum Entry Qualification
Fire Technology and Industrial Safety Mgt.	1 Year	10+2 Any Branch
Health Sanitary Inspector		
Pre- Primary Teachers Training Montessori		
Early Childhood Educator		
Architectural Assistant		
Surveyor		
Industrial Automation and Robotics		10+2 in Science
ADVANCE DIPLOMA		
Industrial Automation and Robotics	2 Years	10+2 Science (Diploma Lateral Entry)
Health Sanitary Inspector	2 Years	10+2 Any Branch (Diploma Lateral Entry)

Personality Development	Interviewing Skill	Bridal Makeup & Hair Styling

Research Skill Management		
Research Paper Writing	ICT in Research and Content Writing	Skill Courses Pedagogy

BHAGWAN MAHAVIR CENTER FOR INTERNATIONAL STUDIES

Bhagwan Mahavir University will offer the certificate, UG, PG, partnership, and professional pathways. Tomorrow's leaders need to cross conventional boundaries of fields and nations. They need to be a dreamer, explorer, and inspirer and seeks to be ready for the challenge. To communicate effectively at intellectual and emotional levels, BMU also emphasizes learning different foreign languages. The Center for International Studies supports and promotes international research and education at BMU. The center's programs, projects, and the individual output of faculty, staff, and graduate students are reflected in research, public outreach, and publications. The center also provides many services to BMU students, including internships, fellowships, working groups, program support, and help with finding resources for research.

BHAGWAN MAHAVIR CENTER FOR LEGAL STUDIES*

Excellence in legal education and research is extremely important because it will help shape the quality of the rule of law. The invaluable experiences that legal education can offer to future lawyers are several. Primary among them is exposure. To a wide range of legal subjects – procedure, contracts, torts, criminal law, evidence, constitutional law, corporate law, property law, administrative law, jurisdiction, labor law, commercial law, and on and on and on. These are essential for the intelligent practice of law.

It also offers law students a supervised, rigorous, and disciplined opportunity to learn practical legal skills through clinics, externships, and trial practice and negotiation courses. This represents a superior way for young lawyers to gain skills rather than running thankless errands for established lawyers who are often too busy to teach them. In a nutshell, legal education is a form of human science that offers beyond techniques, skills, and competencies the basic philosophies, ideologies, critiques, and instrumentalities all addressed to the creation and maintenance of a just society.

Courses	Duration	Intake	Minimum Entry Qualification
Bachelor of Law LLB	3 Years	60	Bachelor's Degree from a recognized university
BBA+LLB (Hons.)	Integrated 5 Years	60	LL.B. with a minimum of 50% marks

***Approval is under process**

BHAGWAN MAHAVIR COLLEGE OF DESIGN

Bachelor of Interior Design is an undergraduate program that focuses on the principles involved while designing interiors. The course is built to help students gain knowledge of structuring, setting of lights, placement of objects, and color combinations which can turn the environment lively.

Courses	Duration	Intake	Minimum Entry Qualification
Bachelor of Interior Design B. I. D.	3 Years	40	10+2 with a minimum 40% from any stream in any category/ 10+3 Diploma with at least 40% marks.
Bachelor of Fashion Design		300	10+2 in any stream/ 10+3 Diploma
Bachelor of Fine Arts Applied Arts/ Painting/ Sculpture		40 in each	

TRAINING & PLACEMENT

Vision:

The Central Training and Placement Cell is committed to the professional progress of Bhagwan Mahavir University students by integrating the career issues within an academic environment for realizing their best possible career path & strongly believes that industry-academia engagement is instrumental in advancing research and creating a skilled workforce.

Mission:

The Central Training and Placement Cell supports the undergraduate, postgraduate, and Ph.D. students through counseling, instructions, and training for the development of desired skills essential for suitable job profile/ higher education/ self-employment and inviting the Corporate Industries / Research or Academic Institutes/ Commercial Organizations/ Public Sector Undertakings for campus placement. Further, to strengthen the industry-Institute interaction, The Central T&P Cell encourages the companies for an internship to students for dissertation work.

Activities under the Training & Placement Cell are:

- Soft Skill Trainings (Mock Interview /Test)
- Industry/Organizational/Industrial Exhibitions Visits
- Internships
- Mega Job Fair
- CEO, Experts & HR Talk Seminars/Webinars Series
- Campus Placements

RECRUITING PARTNERS

BMU has started an in-house skill development & knowledge-based program (online /offline) from domain experts for their students. Such programs will not only develop competencies & capabilities but will also develop start-up culture & entrepreneurship concepts in the mind of students which will be very useful in their career building.

Such programs develop Interpersonally, communication, team building, leadership skills & cognitive expertise among the students to enhance productivity, performance & overall employability. These programs are well planned & designed by Experts in consultation with BMU faculties.

These types of programs are progressive in nature & the level of programs increases with each semester's progress keeping in mind to prepare students as per the present industry scenario.

BMU concentrates on effective presentation, business communication, problem identification & arriving at its solution, team building & leadership qualities in their students which have become very important for placement, start-up, or entrepreneurship in today's world. Organizations/Corporates are looking for such cognitive skills in their employees & BMU Team is trying its best to induce the same.

INDUSTRIES LINKED

BMU signed the MoU for the collaborative working relationship between BMU and Industries. The purpose of MoU's is to have mutual intentions to jointly work on projects required for industries and research needs, with learned faculty and promising students for mutual benefit and growth.

BHAGWAN MAHAVIR UNIVERSITY SSIP-CELL

The Government of Gujarat has developed a policy for providing assistance to Startups/ Innovation to any individual/ group of individuals having an innovative idea/ Concept.

With key objectives, SSIP is an integrated, state-wide, university-based innovation ecosystem to support the innovations and ideas of young students. Developing student-centric Innovation and Preincubation Ecosystem for Students (IPES). Creating an environment for creativity to flourish and an end-to-end support system in educational institutions to allow ample support to ideas for better execution. Empower all universities to set up and execute the broad agenda of innovation and preincubation

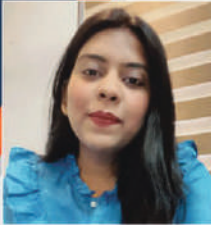

COMMUNITY WELFARE DURING COVID19

The leadership and ingenuity teachers have shown during the COVID-19 crisis are no surprise. This crisis has created an unprecedented context that has brought to the fore teacher leadership, creativity, and innovation. teachers of the BMU have worked individually and collectively to find solutions and help the individual day by day.

BMU established a blood-testing lab on campus, prepared sanitizer disinfectors in the laboratories of BMU, and distributed them. Students and staff members worked day and night to help needy persons. BMU organized vaccination camps many times.

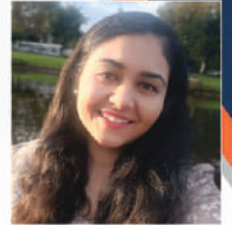

ALUMNI SAYS

► **NISHEE GAUTAM JAIN**
Pratsware Technologies Private Limited (IT Company)
HR-HEAD

It was indeed a pleasure to be a student of Bhagwan Mahavir of Electronics and Communication Engg, All the success of me and the ability to do hard work to achieve my goals are the results of the great faculties. It was a journey full of academic grind and a plethora of extracurricular activities.

◀ **NIRJA MEHTA**
CYBER THREAT ANALYST (IT Company)
TAL AUSTRALIA

Bhagwan Mahavir paved the way for my future and also helped me discover the person I am today. It was a pleasure to be mentored by resourceful mentors who ultimately helped me achieve my passion.

► **SRISHTI JAIN**
BMU, SURAT

My success in life and all my endeavors are the results of the immense and unconditional support provided by the faculties at BM BBA. I've found their guidance lighting up the roads to all my opportunities. I take immense pride in calling myself a student of Bhagwan Mahavir BBA and will forever implement my lessons to help me climb the corporate ladder.

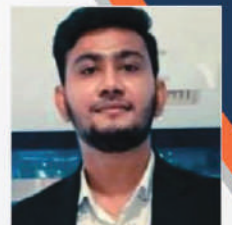

◀ **DESAI DEVANSHI**
BMU, SURAT

It was a wonderful experience at BMEF with excellent exposure provided across the various platforms. The faculty members are very supportive and encourage students to push boundaries to rise above expectations. BMEF targets the overall development of every student, be it education, cultural awareness, or practical exposure to the business world.

► **JINAL JAIN**

"I am very proud of my BMEF days. The competency and the professionalism of the professors were nothing less than outstanding. When I joined in 2013, I was no more than a high school pass out with high dreams and little knowledge as how to achieve it, but BMCA transformed my "Words Into Action" and guided me in accumulating the knowledge and the leadership qualities required.

◀ **HARDIK PATEL**
SRKay Consulting Group

It was my immense luck and fortune to be the part of BMCET-COMPUTER where I can grow. The entire faculty leaves no stone unturned to shape one's future. My four years at BMCET have been a wonderful experience of learning with prolific exposure to outside. Huge respect, love and devotion for entire faculty members and department.

SPANDAN (ANNUAL CULTURAL FESTIVAL)

SPANDAN is Sharda University's biggest "Annual Cultural Festival" and has established itself as a legacy where everyone looks forward to coming together, be it competing or enjoying, offering a rich blend of events, SPANDA promises an exuberant garland of cultural diversity, learning, and never-ending entertainment.

GLIMPSE OF BMU

Special Olympics, under the initiative of "Azadi Ka Amrit Mahotsav", had organized a national health fest "Return to play - Inclusion Revolution" for divyangjan. More than 100 students and faculties have given service as volunteers on this noble cause. Bhagwan Mahavir University organizes "One Week for Nation" activity every year to contribute to nation-building through social activities and awareness programs. All teaching and non-teaching staff members and students of Bhagwan Mahavir Education Foundation participate in this program with great enthusiasm. Under this program we do various activities like Blood donation camp, tree plantation, traffic awareness activity, women and child empowerment activity, save water awareness, say no to drugs and tobacco activity, Swachh Bharat and health and hygiene awareness activity, donate to needy activities to fulfill our commitment towards social responsibility.

ભગવાન મહાવીર પોલિટેક્નિકમાં એલ્યુમની-2020 યોજાય

સુરત: સુરતની ભગવાન મહાવીર પોલિટેક્નિક કોલેજમાં 'દ્વિતીય એલ્યુમની-2020' નું આયોજન કરવામાં આવ્યું હતું. જેમાં કોલેજના મુલ્યવર્ધુ પ્રોફેસર ડૉ. અમિત કાકોરે હાજરી આપી હતી. આ વિદ્યાર્થીઓને માર્ગદર્શન પુરું પાડ્યું હતું. કોલેજના પ્રિન્સિપાલ ડૉ. રવિ જોશીએ વિદ્યાર્થીઓને સંબોધિત કર્યા હતા. આ એલ્યુમની મીટમાં 300 થી વધારે વિદ્યાર્થીઓએ હાજરી આપી હતી અને પોતાના કોલેજકાળ દરમિયાનના અનુભવો શેર કર્યા હતા. વિદ્યાર્થીઓને મનોરંજન માટે ડી.જે. અને હાઈટીનું આયોજન કરવામાં આવ્યું હતું.

ADMISSIONS

- Admission to any Diploma Graduate, Post Graduate, or Ph. D programs of BM University are strictly based on merit. BM University conducts various entrance examinations to get enrolled in different programs. A candidate needs to register for the entrance examination & also register for the institutes offering his/ her choice of programs by paying separate programs registration fees. If shortlisted, he/she would then need to attend the process conducted by each of these Colleges individually.
- The eligibility criteria for each program are also available on the University website. Prospective students seeking admission to various programs can apply through it.

How to Apply:

Online Mode:

- Applications are available to apply online at www.bmusurat.ac.in
- To access the form kindly click on the Online Form button under the Admissions tab to access the form.
- For registration you are required to have a valid email ID (e.g. someone@gmail.com or xyz@yahoo.co.in etc.)
- Choose a password consisting of letters and numbers between 8 to 15 characters for the online form.
- Enter your mobile/phone number (which will be used to verify in case you forget your password.)
- You are also required to enter your date of birth.
- On completion of the registration, you are redirected to the home page after displaying the "Candidate ID".
- Kindly make a note of this and use it for further communications.
- An informatory email will be sent to you containing your username and password

Payment Gateway

- Select Payment Category and choose "Admission Processing Fees".
- Choose the program for which you are applying and pay the required fees of Rs. 500/- through online.
- You have the option of simultaneously applying to a maximum of three courses at once with a separate bank draft of Rs. 500/- for each course for the same candidate.

Login:

- You need to log in using the username and password chosen by you in the previous step

Offline Mode:

- The Application form and prospectus for all programs are also available at the Administrative Department, BM University.
- A separate application form should be submitted for each program. After filling out the form, attach photocopies of relevant documents (photocopies of the mark sheets/certificates, entrance exam result, etc.).
- The amount of Rs. 500/- (each for applied) submitted to the Administrative Department of the University.
