Introduction

Bhagwan Mahavir School of Nursing was established in the year 2009, recognized by Indian Nursing Council & Gujarat Nursing Council.

The institution has been set up to provide contemporary knowledge and impart skill thereby creating employment opportunities to young men and women in the profession of nursing. The theory classes are delivered by highly qualified and experienced faculty members and guest experts in best of its class infrastructure that includes comfortable classrooms, modern audio – visual equipments including several manikins and stimulators and teaching aids, demonstration rooms, anatomy models & charts etc. There are nursing laboratories by the name of Fundamental of Nursing Lab, Mother and Child Health Lab (MCH), Community Lab, Nutrition Lab, Anatomy Lab, AV Aids Lab, Computer Lab; all according to the norms of Indian Nursing Council and Gujarat Nursing Council.

For practical experience students are taken to New Civil Hospital, Surat. In the present date, bed capacity of hospital is 1150 beds. To provide latest health care, medical education and research, hospital is equipped with most sophisticated ultramodern and state of the art equipments and instruments. Student Nurses are also given exposure to comprehensive community health care delivery system, both the urban and rural system.

Career in nursing

Registered nurses often work in hospitals or outpatient facilities, where they provide hands on care to patients by administering medications, managing IV lines, observing and monitoring patient's condition, maintaining records and communicating with doctors.

After completion of Diploma/Degree level programme a competent student may pursue graduate, post – graduate and doctorate level courses in a variety of clinical and social disciplines
