## About Trust

Bhagwan Mahavir Education Foundation is a well known Trust established in 2002 with an objective to provide Quality Education to the students of South Gujarat and undertake all the activities for upliftment and job oriented education. The foundation was registered on 24 Jan 2002 at SURAT.

The Jain community of India has many prosperous and eminent people living in different parts of the country. Many of them are Businessmen and Industrialists. The community is actively running many societies registered in different names all over the country. All these Societies are doing philanthropic activities.

OUR TRUSTEE MEMBERS

**Shri Jagdish Jain**  
Chairman

BMEF will shortly be entering in its second decade after reaching many milestones in terms of establishing institutions in the areas of management, Computer technology, big-technology, pharmacy, education, engineering, nursing, physical education, teacher's training etc. Institutions are spread in two campuses at Surat (Gujarat) and kundli (Nr.Delhi). The foundation's philosophy of "Creation" and "Growth" has made it possible today to serve about 10000 students. Our BMCM has created a place among the business and industries on account of this 'Distinct' characteristics. The COC (Culture of Commitment) approach of faculty has produced excellent result of students and made them ready to "take off" for performing corporate responsibilities with the same COC approach. It is a great opportunity for us to invite you to our campus for interaction with the students who believes that "success is in their hands." I am confident that they will get an opportunity to serve your organization.

**VISION:**  
BMCM Focused Vision is Spreading of Indianisation to Vishwanisation through Excellence in Value Based Education and Transformation of young People in better human Being.

**Shri Anil Jain**  
Managing Trustee

Since Inception, BhagwanMahavir College of Management has given more than 700 managers to various sectors of business. Many of them have made 'mark' in their life on account of "difference" with management graduates form other business schools. The "difference" in terms of punctuality, discipline and performing corporate responsibilities with results have been recognized and appreciated by various organizations. It is my privilege to invite your organization at our fast growing campus having the graduate / post graduate institutions in the areas of management, computer technology, engineering, pharmacy, bio-technology, nursing etc. I am confident that our young students will meet your expectations during your screening process for inducting them to work with you. Looking forward to meet you and your communication in this respect.

**MISSION:**  
Our Mission is to fulfill Corporate dream by providing knowledgeable, well trained, dedicated, result-oriented and professional achiever-executives through knowledge transfer partnership, who can translate your vision in to reality.

**Dr. Snehal Mistry**  
Director

BMCM is on a constant splurge to excel in knowledge, skill, creativity, personality development & ethical values. We are proud to mention that we have overall faculty strength of well qualified and experienced faculty members in both the domains of Management and computer applications. The Institute has been adopted new innovative systems for pragmatic orientation of the students to groom them to face the competition in corporate world. With whole heartedly, I would like to intend my 'warm welcome to new students fraternity & hope that they will fulfil the vision, achieve the mission and they will carry forward the basic norms & values of BMCM. We wish all the best to colleagues, friends, students & everybody else who have been with us in our long journey towards center of excellence.
