## News

*BMU hosted a three-day Annual Cultural Program “SPANDAN – 2023”, featuring students from all 13 colleges. They showcased their talents in music, dance, fashion, singing, and drama before an audience of parents, guests, and fellow students. This event provided valuable lessons in teamwork, coordination, and backstage work. The performances were vibrant, thematically-driven, and highly energetic.*

## Special In This Issue

### REPUBLIC DAY Celebration by BMU

On January 26, 1950, the Constitution of India was signed and India was declared a republic. It's a day, which every Indian is proud of. With the same pride the 74<sup>th</sup> Republic Day of India was celebrated on 26<sup>th</sup> January-2023 at BMU by its school and college faculties, staff and students. Whole program hosted by Education Department (B.Ed., M.Ed.).

The event started with the ceremony of hoisting the Indian National Flag by Dr. Nirmal Chorariya, Chairman of Nirmal Hospital, Surat. Welcome speech was given by Dr. Kinnary Patel, Principal of BMCE. Chief Guest was felicitated with

Memento by trustee Shree Anil Jain sir and President Dr. Sanjay Jain sir. Then after chief guest delivered speech related 74<sup>th</sup> Republic Day. Vote of thanks was given by Dr. Dilip Patel sir Dean of Education Department. Then the cultural program of the University was started. Students celebrated the Republic Day with full zeal and spirit. As this year India is the host for G-20 summit and Hon'ble Prime Minister Shri Narendra Modiji is the chairman BMU also followed the theme of G-20 "*Vasudhaiv Kutumbakam*" means "*The world is one family*". University Celebrated Republic Day with special reference to this theme. Whole the program was conducted by Dr. Bhavina Desai (B.Ed.), Dr. Madhavi Bhatt (M.Ed.), and B.Ed. trainees Bhavsar Shivani, Ezava Reshma.

### SPANDAN-2023 by BMU

BMU organized a wonderful two-day youth festival called "*SPANDAN*" on 23<sup>rd</sup> and 24<sup>th</sup> March-2023 to provide a platform for students to showcase their talents and creativity. The festival featured a wide range of events, including a fashion show, singing, group dances, folk dance performances, talent shows. The prize distribution ceremony was held to recognize and award prizes to students and faculty members who excelled in various academic, extracurricular and sports events. The ceremony was attended by the chief guest, Karnal Singh, a retired IPS officer and former chief of the Enforcement Directorate. Overall, Spandan was a great success, with a large

turnout of students, faculty members, and staff. It has also provided an opportunity for students to learn, engage, and celebrate together. In the category of Best Theme, Department of Engineering presented “*The tale of conflict*” and won the 1<sup>st</sup> prize. 2<sup>nd</sup> Prize was shared between BMCA for the theme of “*LGBTQ*” and BMCN for “*Spiritual War*”. ## Event on Journal Awareness by BMCBAS

On 6<sup>th</sup> March-2023, the event “World Journal Awareness Day-2023” was organized at BMCBAS. Around 27 Staff members and 46 students participated in the event. The Provost of BMU Dr. Nirmal Sharma remained present in the event and addressed attendees. The expert talks by Dr. Yogesh Kadam, Mr. Kirti Patel, and Dr. Mehul Khimani were very informative to the audience. This is the first time in history such a day was observed.

**Invited Speakers**

- **Dr. Yogesh K. Kadam**  
Assistant Professor  
Vanita Vishram Women's University,  
Surat.
- **Dr. Mehul Khimani**  
Technical Manager  
Premiah, Test house and consultancy  
services, Chhaprabhotha, Surat.
- **Mr. Kirti Patel**  
Director  
iPCalculation Information Services  
Pvt. Ltd., Surat.

**Event coordinator**

- **Dr. Khushbu C. Patel**  
Assistant Professor  
BMCBAS, BMU, Surat

**Working Committee**

- Dr. Sumita Dasgupta
- Dr. Pooja Desai (HOD, Biotechnology)
- Dr. Murtaza Hajoori (HOD, Microbiology)
- Dr. Nimeshwar Yadav (HOD, Chemistry)
- Dr. Hushen Hajiyani
- Dr. Ankit Shah
- Ms. Shikha Agrawal
- Mr. Ankur Patel
- Mr. Bhargav Kothiyar
- Ms. Anamika Surati
- Ms. Purvi Solanki

**WORLD JOURNAL AWARENESS DAY-2023**

**Date:** 6<sup>th</sup> March 2023  
**Time:** 10:30 AM  
**Venue:** Seminar Hall, BMCBAS

**Organized by:** Bhagwan Mahavir College of Basic and Applied Sciences

**Chief Guest:** Mr. Kirti Patel  
**Guest of Honor:** Dr. Yogesh Kadam

**Invitees:** Dr. B.H.S. Thimmappa (Principal, BMCBAS), Dr. Piyush Desai (Dean, BMCBAS)

## One-Day National Conference by BMCBAS

BMCBAS organized a one-day national conference entitled “Emerging Trends in Basic and Applied Sciences” (ETBAS-2023) on 17<sup>th</sup> March-2023, to expose the younger generation to recent developments in various research topics. In total, 230 participants were registered for the event. Dr. Anand Bhadalkar, (Joint Director, GSBTM & Founder-Director, STBI) was the chief guest at the event.

Dr. Sureshkumar Kailasa and Dr. Naved Malek (SVNIT, Surat) were the invited speakers for the conference sessions. In the inaugural session, Dr. Piyush Desai, Dean of BMCBAS talked about the significance of the conference. Dr. B.H.S. Thimmappa, Principal-BMCBAS, in his opening remarks, highlighted the importance of scientific conferences and organic and inorganic growth

opportunities available for students. Dr. Nirmal Sharma, Provost, BMU in his address, stressed the need of developing research skills in youngsters. The conference souvenir was released on the occasion. There were 24 oral and 66 poster presentations on various topics by research scholars from different institutes. In the closing ceremony, Dr. Vijay Matawala, registrar of BMU encouraged students to pursue research problems to make country developed up to year 2047. Cultural program, experience by participants, and prize distribution for oral and poster presentations were a part of the program.

### Alumni Meet at BMCBAS

BMCBAS organized *Alumni Meet* on 23<sup>rd</sup> March-2023. Out of a total of 101 registered participants, 54 were faculties and 47 alumni attended the event. Ms. Jyoti Kumawat along with Ms. Khushbu Verma welcomed all the delegates and gave a brief introduction about the college.

Welcome speech by Dr. B.H.S. Thimmappa, (Principal-BMCBAS) and address note by Dr. Nirmal Sharma (Provost, BMU), and alumni remarks by Dr. Vijay Matawala (registrar, BMU) were part of the program. Some cultural programs (music, dance) and games were arranged for the alumni. After those experiences of alumni were

shared. Alumni were felicitated by mementos at the end and the event concluded with a vote of thanks. All had fun and enjoyed the evening.

### Expert Lecture by BMCBAS

An expert lecture on “*Current Application of Molecular Phylogeny and High Throughput Sequencing Technique*” was organized by BMCBAS on 31<sup>st</sup> March-2023. The invited speaker, Dr. Harsh Mistry made the session interactive with PowerPoint presentation and provided insight from basic sequencing to detailed metabarcoding, metagenomics, and whole genome sequencing to the students of B.Sc., M.Sc. biotechnology, and microbiology. Many real practical cases were discussed with enthusiasm by the speaker to doctoral research scholars, postgraduate dissertation students, and faculty members.

### Faculty Achievements at BMCBAS

1. Dr. B.H.S. Thimmappa published a book chapter entitled “*Perspectives on the Role of Chemistry, Chemical Engineering, and Chemical Technology in Business Today and Tomorrow*”. In N. Kamjula, C.P. Desai, and S.H. Buch, Eds. Role of Management and Technology in Today’s Business. 2023, pp. 333-335. Bharti Publications, New Delhi.
2. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*Thinking on Different Phases of Matter and Their Transformations*”, March 26, 2023.
3. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*A Trip Towards Innovations in Engineering Materials*”, March 19, 2023.
4. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*The Exploratory Journey towards Universal Universe*”, March 12, 2023.
5. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*Banks in a Changing World*”, March 5, 2023.
6. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*Perspectives on Post-Pandemic Scenarios of Chemical Industry and Service*”, February 26, 2023.
7. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*Basic and Applied Chemistry in Everyday Life*”, February 12, 2023.
8. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*Future of Science, Technology, and Innovation*”, January 29, 2023.
9. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*Perspectives on Law Enforcement and Forensic Chemistry*”, January 22, 2023.
10. Dr. B.H.S. Thimmappa published a popular article in the Indian Periodical entitled “*Remarkable Contributions of Chemistry with a Human Touch*”, January 15, 2023.
11. Dr. B.H.S. Thimmappa published popular articles in the Indian Periodical entitled “*Indian Higher Education Pulse-Part -VI and VII*”, on January 1, 2023, and January 8, 2023.
12. Dr. B.H.S. Thimmappa published poetry in the Indian Periodical entitled “*A Window with a View*”, February 5, 2023.
13. Dr. B.H.S. Thimmappa published poetry in the Indian Periodical entitled “*Coping with Life*”, February 19, 2023.
14. Dr. P.C. Desai published a paper on HIV nursing entitled “*Uropathogens and Antimicrobial Resistance Pattern Among Patients of Surat Gujarat*”, *HIV Nursing*, 23(3):687-691, 2023.
15. Dr. Tiyasha Sarkar has been awarded best E-Poster on “*Perinatal multi-hit stress exposure leads to hippocampal cellular deterioration along with cognitive and behavioral changes in young rats: Interpreting Schizophrenia*” in International Conference on” Nanopharmaceuticals and

Neurological Disorders” (ICNAND23) on February 2-4, 2023.

16. Dr. Kalindi Contractor and Dr. Payal Patel finished PhD
17. Ms. Rukhsar Ansari published seven review papers and Ms. Neha Tarpara published six review papers.

### Students Achievements at BMCBAS

On 15<sup>th</sup> February-2023. Students of S.Y. Microbiology, BMCBAS won 2<sup>nd</sup> prize in reel making competition at UGAM Event Dharampur. Around 14 colleges and 03 universities making a total of 599 participants and 1500 attendees, were present at the event.

On 17<sup>th</sup> February-2023, a team of a students from 4<sup>th</sup> semester B.Sc.-Microbiology participated in reel making competition under "VIBRANT-Mue-2k23" organized by A students' unit of Microbiologists Society, India at the Department of Biotechnology, VNSGU got 1<sup>st</sup> Prize. Name of the Winners: Sharma Deepak, Mishra Aditya, and Barik Mahesh.

On 25<sup>th</sup> February-2023, a student of 2<sup>nd</sup> semester Biotechnology, secured a 2<sup>nd</sup> prize in Scitoon, and students of 6<sup>th</sup> semester Biotechnology, secured 2<sup>nd</sup> prize in a poster presentation at Science Manthan 2023, CHARUSAT University.

Students of M.Sc. Microbiology, BMCBAS participated in a series of state-level inter-collegiate competitions for postgraduate students held on 4<sup>th</sup> March-2023, at Biological Engineering Discipline, Indian Institute of Technology, IIT Gandhinagar, and received the following prizes: Ms. Khushee Shrivastava-1<sup>st</sup> in the abstract writing competition. Mr. Jay Pandey, Mr. Krishna Maurya, and Mr. Patel Hemang stood 3<sup>rd</sup> in the working model competition.

## Two Days Faculty Development Program by Department of Engineering

Two days Faculty Development Program on “Recent Trends in Engineering & Technology” organized by Department of Engineering, during 9<sup>th</sup> February to 10<sup>th</sup> February-2023. There were 80 participants from different faculties like Electronics & Communication Engineering, Computer Engineering, Mechanical Engineering Technology, Civil Engineering, Information and technology, Chemical, Robotics, Automobile, Aeronautical, etc. in FDP. During four sessions of event, multi-disciplinary recent trends in engineering were discussed in brief.

## AAAYAM, Tech-fest by Department of Engineering

Two days AAYAM-Tech-fest organized by Department of Engineering during 27<sup>th</sup> February to 28<sup>th</sup> February-2023. Dignitaries present for the event were Dr. Nirmal Sharma (Provost BMU) and Dr. Vijay Matawala (Registrar BMU) and Dr. Vineet Goel (Dean Academics, BMU) followed by Director of Engineering College (Dr. Hitesh Joshi) and in charge Director of Polytechnic (Mr. Snehal Patel) and the Faculty Conveners with all the students were present.

Event was started with lamp lighting by chief guest along with the other dignitaries welcomed all the dignitaries and shared that these fests is organized every year with the objective to provide platform for the students to showcase their talent with a competitive spirit, so this time we are celebrating the fest in a very grand manner. The fest executed with a total of 22 events on day-1 and 13 events on day-2, planned and organized at its best of quality. Focusing on the types of events to include in the fest was decided by fest coordinators keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene.

## NSS Induction Program by Department of Engineering.

National Service Scheme (NSS) Unit of Engineering Colleges (MSCET, BMCET & BAIT) have successfully conducted NSS Induction

program for 1<sup>st</sup> & 2<sup>nd</sup> year students on 10<sup>th</sup> March-2023. Session was conducted by Mr. Vijay Kothari, NSS Co-ordinator in which he discussed regarding NSS motto, its Aim, Scope, Various camps, Awards, advantage to students. Program was successfully attended by 150 students with great enthusiasm.

### **Seminar on “Advanced Java Programming” by Department of Computer Engineering.**

On 14<sup>th</sup> March-2023, Department of Computer Engineering organized a seminar “Advanced Java Programming” for the students of computer department. 25 participants, from all semesters enthusiastically participated in the seminar and subsequent competition. Mr. Rakesh Kharvaa delivered an expert in the seminar.

The seminar was to introduce basic of Java. That is a general-purpose, concurrent, class-based, object-

oriented computer programming Language. It was a very informative seminar which has given a lot information and Hands on Practice to the students.

### **Women’s Day Celebration by Department of Engineering**

Department of engineering celebrated a Women’s Day on 15<sup>th</sup> March-2023. For the event, the chief guest was Dr. Purvi Rajput, Asst. Professor, Kayachikitsa Department of Shri.O.Z.Nazar Ayurved College, Surat. During the event Dr. Purvi Rajput addressed that there should be a balance between career and family and without a family support a women can’t achieve success, also addressed that, girls should know their right to defend themselves and be careful against crimes against women.

After addressing Vote of thanks was expressed by Dr. Vanita Kapadiya. We reached the end of the celebrations with a cake cutting session. The female staff was conducted various games to mark this day.

The staff and students are actively participated in the games. After the programme WDC member arranged small refreshment is there.

### **Alumni Meet 2023, by Department of Engineering**

“The Alumni Meet 2023” was organized on 17<sup>th</sup> March-2023, at BMU Campus by the Alumni Association of BMCET, MSCET, BAIT BMPLOY & MSPOLY. The meet aimed to provide platform for alumni to reconnect with each other, network and engage in fun filled activities. The event inauguration was done by Directors of college of Engineering and college of Polytechnic, followed by alumni relations who briefed the alumni about the alumni association activities.

The program continued with the felicitation of our guests followed by a welcome address to Dr. Hitesh Joshi and a motivation speech by our all guests present there. The felicitation of the alumni was done

by our guests with mementos and also alumni shared their experience with Bhagwan Mahavir University. The event was followed by DJ and dinner. Vote of thanks given by in charge Director of Polytechnic Mr. Snehal Patel.

### **In House Event under Youth Festival ‘SPANDAN - 2023’ by Department of Engineering**

As a part of SPANDAN-2023, Department of Engineering organized Debate on “Digital Economy” under the umbrella of G20 for the students of BMU on 20<sup>th</sup> February-2023. Total 48 students participated in the debate. Dr. Zarna Dedania (BMCP), Dr. Pooja Desai (BMCBAS) and Ms Ishani Chhoksi (BMCCMS) served as judges. In the event, Samya sheth (BMCP), Aastha Solanki (BMCM) and Kritika Rajpurohit (BMCCA) declared as winners.

### **Visit of Sthapatya, Vanita Vishram Ground, Surat by BMCA**

On 8<sup>th</sup> January-2023, Bhagwan Mahavir College of Architecture, Design and Planning organized a visit and creatively took initiative and spread awareness to the citizens of Surat regarding taking suitable steps towards “GREEN SURAT” under the guidance of Dr. Snehal Patel and SSRT (Sustainable Surat Round Table). Students made the understanding of growing native plants & Species on land also portraying that visual form on a canvas. Students also created visual form showing “*The Importance of growing Native*” and took pledge for the same.

### **Live Sketching Expert Lecture by BMCA**

On the auspicious day of 9<sup>th</sup> January-2023, BMCA organised 3-hour Expertise Lecture for students of Fine arts. Mr. Parish Patel guided students with utmost knowledge and students actively understood various aspects and techniques of sketching.

### **Awareness Towards E-Waste Disposal Management & Its Adaptive Reuses by BMCA.**

The students of BMCA have taken an initiative to collect E-waste from different centers of the institute

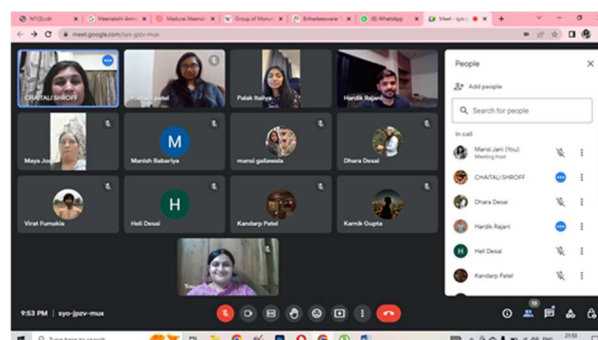

as well as part of our city. The students and the institute previously have already taken an initiative of eco-park where we worked on disposal of plastic waste. Students made beautiful and innovative structures with help of the plastic waste. It was not only recognized at district level by the Surat Municipal Corporation but also by national level under Swatch Bharat mission. To take this further they have taken an initiative to focus of the major upcoming problem that is E-waste on 3<sup>rd</sup> February-2023. E-waste includes electronic items like batteries, computer parts, hardware's, pen drives, wires, etc. This waste doesn't get disposed into the land so it as to be effectively reuse. So, the students will collect the E-waste and preventing them to reach the disposal centers and make them effective reuse. They will also create awareness by sharing knowledge regarding E-waste and its consequences.

### Alumni Virtual Meet by BMCA

BMCA arranged a compact, interactive and fun-filled zoom meeting for its Alumnus. Many of Alumnus joined from Australia, Germany, Canada and been a part of online games, which was arranged for them. The Virtual meeting was scheduled on 16<sup>th</sup>

February-2023, Thursday by 9:00 PM on Zoom meeting platform.

### Residence Site Visit by BMCA

On 22<sup>nd</sup> February-2023, the faculties and students of BMCA conducted site visit of Residence in Surat to make students understand the design ideologies and how it is flowing in terms of design elements, structure, forms, function of spaces with respect to masses and volumes, technologies and explored different types of materials which makes the design flourishing to it.

### In House Event under Youth Festival ‘SPANDAN-2023’ by BMCA.

BMCA conducted an “Elocution Competition” where the students were given topics on G20 on 23<sup>rd</sup> February-2023 as a part of SPANDAN-2023. Students actively participated in the competition and made understood on how it plays an important

role in shaping and strengthening global architecture and governance on all major international economic issues. In the event, Kritika Rajpurohit (BMCCA), Samya Sheth (BMCP) and Priya Poddar (BMCA) declared as winners.

### Surat Sustainable Round Table by BMCA

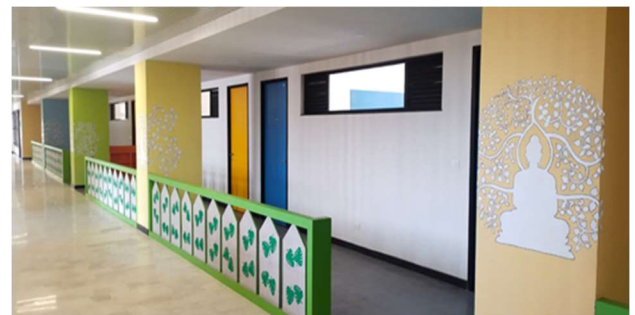

BMCA initiated a step towards “Greener Surat” and “Green Earth” and did a Project launch in the collaboration with Nature Club, Surat (A non-government organisation dedicate to nature conversation, environment education and research centre) and SSRT. Mr. Snehal Patel, President of Nature Club, Surat gave a seminar and expert talk of his contribution to nature of growing more trees and making our earth a more of green to live along with Mr. Jagdish Parmar, Mr. Ashish Vakil, Mrs. Divya Kalra (founder of innovate4india, NGO & Committee member of SSRT) and AR. Falguni Desai (Committee member of SSRT) on 28<sup>th</sup>

February-2023. The seminar helped to all our students have a better understanding with how to keep a harmonious relationship with nature and earth.

### Wall painting in Collab with Terrapanth Bhavan at BMIS

Students of Bhagwan Mahavir College of Architecture, Design and Planning painted a wall in Bhagwan Mahavir International School on the topics related to “Green India” “Save Water” “Save Energy”, “Prevent Global Warming” and “Swachh Bharat Abhiyaan” 7<sup>th</sup> March-2023. The artistic work was appreciated by all.

### Expert Lecture on Photography by BMCA

BMCA organised an expert lecture with Prof. Dr. Shrikant Rakhe, a graduate of line artist from MS University, PhD achiever in Techno Creativity in Advertising, MBA holder in Advertising Marketing on 10<sup>th</sup> March-2023. He is associated with Photo-documentation with Gujarat tourism and many prestigious platforms. He was professor in CEPT for Advertising Design and photograph.

### Expert Lecture by BMCA

BMCA organised an expert lecture with Dr. Rajesh J. Pandya, who has been working with SMC since last 3+ years with different capacities with special mention in tenure of 13 years as Town Planner and Town Development Officer on 14<sup>th</sup> March-2023. As the Deputy Municipal Commissioner. He headed the departments of Traffic, BRTS, Public Parks and

Garden of the urban Local Body of vibrant and dynamic city of Surat.

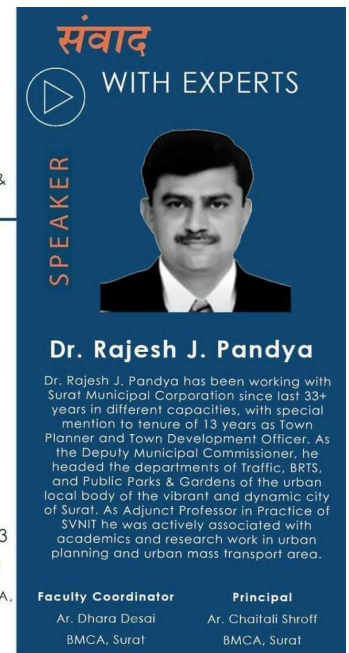

### Lecture on Urban Planning

Tuesday, 14<sup>th</sup> March 2023  
Time: 10:00AM Onwards

Mode (Offline): Seminar Hall, BMCA,  
BMU Campus, Surat

**Dr. Rajesh J. Pandya**  
Dr. Rajesh J. Pandya has been working with Surat Municipal Corporation since last 33+ years in different capacities, with special mention to tenure of 13 years as Town Planner and Town Development Officer. As the Deputy Municipal Commissioner, he headed the departments of Traffic, BRTS, and Public Parks & Gardens of the urban local body of the vibrant and dynamic city of Surat. As Adjunct Professor in Practice of SVNIT he was actively associated with academics and research work in urban planning and urban mass transport area.

**Faculty Coordinator**  
Ar. Dhara Desai  
BMCA, Surat

**Principal**  
Ar. Chaitali Shroff  
BMCA, Surat

### Attended ITPI GRC knowledge sharing session

Students of Masters in Urban Planning and faculty all together attended expert lectures on salient features of town planning scheme (concept, design & practice) organized by ITPI Gujarat regional, Surat chapter on 25<sup>th</sup> March-2023.

*Mr. R. D Desai Sir with students of M. Plan and faculties of BMCA*

Students learned about the salient features of Town Planning Schemes and explore what local/ state governments are doing to tackle the issues while

ensuring a just transition. Students also heard from experts, professionals and planners about the challenge's administrators face in tackling the problems and about the concept and principles and the process for developing Town Planning Schemes.

### **Visit of SMC Surat Urban Observatory & Emergency Response Centre by BMCA**

Students of BMCA visited the Surat Urban Observatory & Emergency Response centre along with faculties, under Smart City Mission on 29<sup>th</sup> March-2023. Here, students learned how the building will take care of city in case of Flood, Earthquake, Fire and other emergency. City is monitored by 6000 cameras, how complaints are recorded and catered by SMC. Students also attended Talk Show “Swachhotsav” Role of women in Zero Cities in collaboration with Innovate4India, IFS and Swachh Suraksha.

### **G20 Traffic Awareness Programme by BMCA**

BMCA and BMCCA NSS units jointly organised Traffic Awareness programme under G20 theme on 30<sup>th</sup> March-2023. Chief Guest Mr B.C. Mori, ACP, Traffic Branch, Surat and Mr. A.D. Mahant, PI,

Traffic Branch Surat addressed students and faculties about traffic awareness.

### **Online Alumni Meet-2023 by BMCP**

Bhagwan Mahavir College of Pharmacy organized successful online *Alumni Meet-2023* on 28<sup>th</sup> March-2023. The event was attended by alumni from different parts of the world. The program included speeches by alumni coordinator Mr. Senthil Kumar, Director Dr. Vineet C. Jain, and speaker Dr. Zarna Dedania. Alumni students shared their experiences and memories of the college, and a video presentation showcased recent college activities. The event was a testament to the strong bond between the college and its alumni, and plans were

made for an upcoming offline alumnus meeting and forming an alumni committee.

**Bhagwan Mahavir University**  
BHAGWAN MAHAVIR COLLEGE OF PHARMACY, SURAT

Organized  
**ONLINE ALUMNI MEET**

BHAGWAN MAHAVIR COLLEGE OF PHARMACY ORGANIZED ALUMNI MEET TO PROVIDES A PLATFORM FOR ALUMNI TO CONNECT, REMINISCE, AND SHARE THEIR EXPERIENCES AND ACHIEVEMENTS.

## “PHARMAPHILIC 2023” by BMCP

The *Pharmaphilic Techfest* was organized by Bhagwan Mahavir College of Pharmacy on 6<sup>th</sup> March 2023 as a tribute to Prof. L. M. Shroff for his contributions to the development of the Indian pharmaceutical industry. The event provided an excellent opportunity for students to showcase their skills, knowledge, and innovation in the pharmaceutical field. The Techfest had both technical and non-technical events. The technical

events included an E-Poster Presentation on the Role of Artificial Intelligence in Pharmacy, Pharma Recipe, Pharma Ideathon (Oral) and Pharma Marketing. In the E-Poster Presentation, participants had to send their posters before 4th March, and the judges and audience could interact with a Q&A session. For the Pharma Recipe, candidates had to bring their apron/lab coat and their own general requirements for practice in pharmacy, and a maximum of two participants were allowed in a team. The Pharma Ideathon (Oral) had topics related to any new idea/modification/innovation of the existing healthcare regimen/device/medication, and the judges and audience could interact with a Q&A session.

**Pharmaphilic 2023**  
Date 06 March 23

Organized by  
**Bhagwan Mahavir College of Pharmacy**  
A TRIBUTE TO  
Prof. M. L. Shroff: Father of Indian Pharmaceutical Education

**Technical Events**

1. E-Poster presentation
2. Pharma recipe
3. Pharma Ideathon
4. Pharma Marketing

**Non-Technical Events**

1. Pharma Sketch
2. Pharm Snakes and ladder
3. Tech spell-O-pharma

**Patron**

Sh. Jagdish Jain (Chairman), Dr. Satbir Jain (Vice Chairman), Sh. Anil Jain (Secretary), Dr. Sanjay Jain (Treasurer)

**Co-Patron**

Dr. Nirmal Sharma (Provost), Dr. Vijay Matawala (Registrar)

**Convener**

Dr. Vineet C. Jain (Director, BMCP)

**Event Coordinators**

Dr. Rashmi Korat, Mrs. Sweta Desai

Website Link: <https://bmusurat.ac.in/institute-homes/BMCP-home/>  
Register Here: <https://forms.gle/3nmZaNCe3xLYgCx7>

In Pharma Marketing, participants had to plan a new innovative selling strategy for an existing pharma product, and the product for pharma marketing was given on the spot before 1 hour. The non-technical events included Pharma Sketch, Pharm Snakes, and

Ladder and Tech Spell-O-Pharma. In Pharma Sketch, participants had to create a pharma or health-related message for the good will of public health, and the sketch paper was provided by the organization.

In Pharm Snakes and Ladder, the faculty in charge briefed the rules at the start of the game, and it was a solo entry event. Tech Spell-O-Pharma was another non-technical event organized by the college. Overall, Techfest was an excellent platform for the students to showcase their skills, gain recognition, and build confidence.

### **Guest Lecture On “SAVE ENVIRONMENT” by BMCP**

The nature activist and wildlife conservationist, Mr. Himmat Ram Bhambhu, was invited to Bhagwan Mahavir University on 1<sup>st</sup> January-2023 for a lecture on nature conservation and preservation. The event was organized to educate and sensitize the students about the importance of nature and the need to conserve it. The event began with the commencement speech by the principal, followed by the felicitation of the guest, Mr. Himmat Ram Bhambhu. The guest speaker, a Padma Shri awardee, was welcomed by the audience with great enthusiasm. During his lecture, Bhambhu Sir talked

about his journey as a nature activist and shared his experiences and knowledge about nature conservation. He emphasized the importance of planting more trees, conserving birds and wildlife, and protecting forests. He also highlighted the role of every individual in preserving nature.

The students were enlightened about various ways and methods for making and preserving nature. Bhambhu Sir also answered the queries of the students during the interactive session that followed his lecture. The event concluded with a vote of thanks to the guest speaker for his valuable insights and knowledge shared with the students. The event was a great success as it sensitized the students about the need to conserve nature and motivated them to contribute to this cause.

### **In House Event under Youth Festival ‘SPANDAN-2023’ by BMCP**

The Bhagwan Mahavir College of Pharmacy organized the "G20: Round Table Discussion Competition" as part of their in-house event, Spandan 2023, on February 21, 2023. The event, held offline at the BMCP Seminar Hall, aimed to promote the values of inclusivity, respect, and harmony, inspired by the G20 theme of "Vasudhaiva Kutumbakam" or "One Earth · One Family · One Future."

The event commenced with a warm welcome extended to the guest speaker, Dr. Nirmal Sharma, along with the jury members, staff, and participants from various colleges. Dr. Vineet C. Jain emphasized the importance of the event and its relevance to the students. Dr. Nirmal Sharma delivered a speech highlighting the significance of the G20 and encouraged the youth to actively engage in upcoming challenges and stay informed about important events in the country.

The round table discussion competition revolved around two themes: "Life Style for Environment (LiFE)" and "Vasudhaiva Kutumbakam." The participants were divided into teams, and the competition proceeded with two rounds. Ms. Shoeila Patrawala (BMCP), Ms. Samya Seth (BMCP), and Mr. Shivam Rajput (BMCBAS) secured the first, second, and third ranks, respectively.

### **Workshop on “Introduction to CMIE Information Solutions” by BMCM**

On 1<sup>st</sup> February-2023, Bhagwan Mahavir College of Management organized a workshop on “*Introduction to CMIE Information Solutions*” which was addressed by Prashant Joshi (Assistant Vice President at centre for monitoring Indian economy Pvt. Ltd (CMIE)). The Workshop was attended by 50+ students.

### **A Seminar on “Bootstrap” by BMCM**

On 10<sup>th</sup> February-2023, Bhagwan Mahavir College of Management (MCA) organized a seminar on “*Bootstrap*” for iMCA Semester 4 and iMCA Semester 6 Students which was addressed by Ms. Urvashi Halpati from TOPS TECHNOLOGY. The Seminar was attended by 32+ Students.

This session was very interesting and interactive as it gave them a brief about Bootstrap. Students gain

knowledge of bootstrap concepts while learning how the backend is developed.

### **Seminar on “Current & Future Technologies” by BMCM**

On 15<sup>th</sup> February-2023, Bhagwan Mahavir College of Management (MCA) organized a seminar on “*Current & Future Technologies*” for MCA Semester-II, iMCA Semester-IV and iMCA Semester-VI Students which was addressed by Mr. Viken and Mr. Manish from SSM Infotech. The Seminar was attended by 53+ Students. This session was on ASP net & MySQL, where students gain knowledge of ASP.net & MySQL ideas and discover how the front end and back end are constructed.

### **Outbound Learning Program by BMCM**

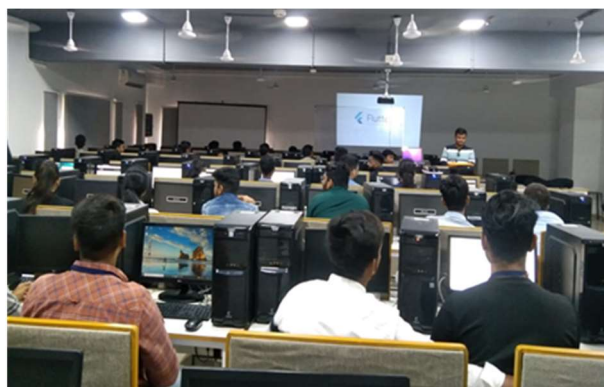

Bhagwan Mahavir College of Management (MBA) organised a nine-day outbound learning for students from 12<sup>th</sup> February to 20<sup>th</sup> February-2023, at Manali Himachal Pradesh. Total 41 students

took part in learning the trek-training during the trip. As a part of it, students also happened to travel the rural areas surrounded and learned the various aspect of social and cultural life of mountain people. Students also explore the various trekking sites close to Manali. Further, they realized the importance of fitness to lead a happy life.

### **Hands-On-Session on Flutter by BMCM**

On 20<sup>th</sup> February-2023, Bhagwan Mahavir College of Management (MCA) organized a “*Hands-On-Session on Flutter*” for MCA Semester-II, iMCA Semester-IV and iMCA Semester-VI Students which was addressed by Mr. Jagannath Maharana from L5 inch Ventures Pvt. Ltd. The Session was attended by 68+ Students. This session was very interesting and interactive as it gave them a brief about Flutter with relevant Practical.

### **E-poster Presentation on G-20 by BMCM**

On 24<sup>th</sup> February-2023 as a part of Youth Festival of BMU, SPANDAN-2023, G-20 activity was

initiated. As a part of the same, BMCM successfully organized “e-Poster” competition on the topic G-20 with the theme “Vasudhaiva Kutumbakam” or “One Earth, One Family, One Future” The event was carried out with a lot of enthusiasm and excitement. Every team left with great imagination and concepts inspired the students.

### Alumni Meet-2023 by BMCM

On 19<sup>th</sup> March-2023, BMCM organised the “Alumni Meet” for the passed out students. One hundere and six students were able to make their presence during the Meet and had an interarction with the present students. Further, they recalled their studnet life in the cmpus an palyed games orgnized by existing studnets. They refreshed and recharged with the activities leaving their beatiful smiles with the institute.

### Days Celebration in BMCM (MCA)
